

24 February 1969

Mr. John Bross
Central Intelligence Agency
Washington, D. C. 20505

Dear John:

The NSC has requested a review of our strategic posture relative to a wide variety of possible wars. This review must be completed by the end of March.

Our review would be greatly helped if we could utilize the strategic exchange model developed under your sponsorship. Assuming your approval, my people will work directly with yours in order to meet the critical time scale facing us.

Sincerely,

Ivan Selin
